Minutes (attached) and Financial Report - Anita, KB7GFV

Business

- Old business— Bret gave an update on the EchoLink.
- Still no comments from the Utah VHF Society about the link to the intertie, so again it will be another Winter, Bret thinks that the reason is because the link to Cedar City and points south have died and the equipment that was earmarked for Bruin on the South West link.
- Some more discussion on EchoLink and some plans for training, Bret did talk about the Echolink and HF Remote Bases and we all agreed to hold some training exercises on them perhaps after the next Emery County Meeting.
- New Business: this month's RACES NET will be the 3rd Thursday in December on the local repeater system.
- George informs us that class starts next week Jan. 9th. All classes will be available.
- Health and welfare. Alan Ortan fell and hurt his back worse than before, he is in bad shape. Deb is also in bad shape but is still recovering, They have in home Help, neighbors ward members, etc. helping them out. Little Jim is having a ruff time. Bryan is going to have back surgery this month.
- VHF RACES NET was a very bad net last month. George gave us a report on it.
- Training next month at the meeting in Emery County will be on some subject to be determined.
- Next meeting Feb. 6th in Huntington at Pondarosa.
- The Web page, Bret and Jim have been working on the Web page and has it pretty much done any comments are appreciated.
- Allen Henry gave us an idea about the Spring Outing, possibly the 3rd or 4th weekend in April, decision to be made later.
- George wished us all a Happy New Year.
- Rodney let us know that he tried to talk with the Space Station. He has heard a beckon but not been able to make contact.
- Bret asked if everyone will review the back of the minutes for nets, and check if we need to make any changes.
