Sinbad Desert Amateur Radio Club Minutes
August 6, 2020, Los 2 Amigo's

The meeting of the SDARC was called to order at 7:10 in Price @ Los 2 Amigos, by George. Minutes were read and Treasure report was given, we did not receive statement yet so a rough guess of \$5399.56.

We paid for flowers and PayPal and Power Supply \$601.65. George made a motion to accept the minutes and Allen 2nd.

No Old Business.....

New Business- Rodney would like to give us a class or presentation on the Satellite radio things that he has been doing. He feels like it could be an on going training thing to help some of our younger operators get involved. Some ideas were tossed around. Other Clubs are doing monthly training sessions and are having some fun with it.

Talking about bringing people in to the Club and have more class's, maybe we could put something else in the news paper and at the hospital.

Everyone is interested in the training for amateur radio Satellites, Rodney will plan for that.

Discussion on how to get more club members out for meetings, hopefully after this COVID crap settles down. We hope more will feel more comfortable. Rodney has volunteered to do a quarterly news letter.

Fall Camp-out set for September @25th - 27th. Out on our usual location or down to the next site.

Bret let us know of some projects he is working on for The Henrie Mt. Repeater site and Chandler has some projects that he is helping him with including the Grizzly Peak site 147.04 Repeater.

Next meeting in Huntington at Pondarosa restaurant on Sept 3rd.

Health and Welfare , Deb and Alan are having a rough time, Ross has in Home health coming in often.

George made motion to adjourn and Jim 2nd. Meeting adjourned at 7:46

11 members and visitors.
