The Meeting of the SDARC was called to order at 6:15, by Paul at the Campout on the Desert. Minutes were read and a treasury report was given we have \$4914.59 Jim made the motion to accept and Allen 2nd.

- Old business, Bret gave a report on Grizzly ridge, it was a bust. They didn't have the equipment that they needed to fix it, so they brought everything home. Bret fixed it at his shop and then sent it back to Vernal and the boys took it up and tried it again and it works great.
- We also want to congratulate Lyndon and Scott on their new Licenses. Lyndon is KJ7RAX and Scott is KJ7RAZ. They have been here for the Campout and we have had a great time getting to know them.
- Ross Butler is still getting in home help. Deb Orton is in the care center getting help with her legs. Allen Henrie has been having issues with his legs and been getting his legs wrapped. Little Jim is still hanging on with his oxygen up and down. George has to go in for some surgery.
- George is working on trying to keep the classes for those who want to keep going.
- Next meeting will be on Nov. 5th in Price at Los 2 amigos.
- We want to help Lyndon and Scott prepare for their General tests.
- No repeater work so far this month. Bret installed a UPS Battery Backup on Bruin so that should help get through the winter.
- This has been one of the best and well attended Campouts we have had for a long time. We have had a great time.
- So we had some issues with the names on the Club Checking Account, Vickie Tucker's name showed up on the Statement for August and we would like to put Ellen's back on, She said that would be fine.
- Bret gave a little more info on some of his projects before winter sets in.
- Bret made the motion to adjourn and Bryan 2nd. Meeting adjourned at 7:00. We had 19 members and visitors present for meeting and we had other visitors come throughout the day.
