

Sinbad Desert ARC

The meeting of the SDARC was called to order on June 3rd at 7:03 by Rodney Scott at the Juniper Café in Price. Minutes were read. Allen Henrie made a motion to accept and Jim Anderson 2nd.

We are so blessed to have Brett and Bryan to be able to fix things, we couldn't function without them.

Welfare check done: Little Jim is still having a hard time, enjoyed his party. Alan Orton not here tonight, is sick.

New business:

Can anyone help a new member get their new digital radio working?

Repeater report: Abajo will be worked on when they can get to it. Henry Mountain may be a solar issue. No one can get up to Lake Mountain yet, maybe next month. Problems are the same as before. No one has had a chance to get to Wood Hill yet either.

George reports that at least 2 younger people are coming to class.

There was some discussion on how some clubs are doing a review/crash course throughout the morning, then testing in the afternoon. No one seems to want to study...

There was discussion on who was going to get to the camp site 1st and put out the signs since Allen Henrie is not going camping this time. There was also discussion on when to have the next meeting. Since there were going to be so many not present, they decided to have a meeting at the Ponderosa the 2nd week instead of the 1st week because of the July 4th weekend.

July 8th is the next club meeting at the Ponderosa in Huntington.

Rodney Scott moved to adjourn, Jim Anderson 2nd, adjourned at 7:29

There were 11 members and visitors present.
