5/4/2023

The meeting of the SDARC was called to order by Bret at 6:50 pm. Minutes were read and a Treasurers report was given. We have, \$1112.60 in checking and \$4069.28 in savings. There was a bill in May for the domain name of the Club for \$40.

Ellen made a motion to accept them and Larry 2nd and everyone agreed.

Old Business: Robert "Bob" Mueller KD7HLL from Mexican Hat did pass away and his Daughter is now operating the Restaurant. Rodney was not able to come tonight, they have Family issues. Alan O is having health issues and couldn't make it to night. Jim and Pam Anderson's are staying about the same with no health update.

Club Camp-out was really nice but cold, we made a trip out to Cedar Mt. and Kyle did the Tower work. He did a great job and the HF Remote is working really well. We didn't have too big of a group but it was a relaxing time. The Dog had a great time with everyone out there playing with him.

Bryan had a Repeater report, the Club call renewal was paid and is now up to date. He also talked about the lack of an updated safety Harness lanyard, Jim A made a motion to get one and Jim H 2nd. All agreed.

We talked about some of the issues a couple weeks ago on having the Repeaters fully link due to a Power outage on Bruin Peak. Bret had to make some interesting connections to make the links all work and get as many Repeaters as possible connected, Bret had all the repeaters linked except Bruin, Henry Mt. and Grizzly peak. We also had a report that Grizzly Ridge Repeater was down this past Tuesday net, but Bret has not been able to get with Chandler to have him test it. He will try to get that done.

New Business: Jim A made mention about anyone still needing to pay Dues.

The new VE test system for getting license testing is a challenge for anyone trying to take tests.

Next meeting will be back out to the Juniper out by the Hospital, June 1st and then Field day will be the 3rd full weekend in June (23rd and 24th), location to be determined due to weather, Joes Valley or Huntington State park are two possibilities .

Jim made a motion to adjourn and Bryan 2nd.

13 members present. Meeting adjourned approx. 7:55 PM

submitted by Secretary / treasurer
