Old Business: Campout was fun and everyone had a good time. Everyone wore Cheech out every day! Last club meeting at Los2Amigos was a bust because of the noise problems.

New Business: Repeater report, Josh KJ7LVZ went to the Henrie mountain & did some repairs and got it running. The club appreciates all the work he did to get it back online.

Bruin was down from Friday the 27<sup>th</sup> to Tuesday the 31<sup>st</sup> of October, Jeff Guymon with Emery County made the trip and got the Power back on, he discovered the States UPS was fried. So Bruin is not on that UPS anymore. Bret has been doing some reprogramming on the Repeaters to get the majority of the links back up while Bruin was Down.

Bret went to Horn and moved the 447.700 repeater to 447.625 due to interference problems, and now has a PL tone of 88.5 and may be low on Power. The 223.920 is no longer on Horn.

Allan has sold his home and has someone to get the tower down. He will be here until about Thanksgiving and then he will be gone to Cedar City. He will be missed by everyone.

Health and welfare: Jimmy is still struggling with his oxygen. Bryan had his back stimulator removed. He has some infection in it.
