Sanpete / Sevier Horseshoe, Ephraim 146.660 (PL100), Monroe Peak 146.820 (PL100)

The SDARC meeting club minutes 2-1-24

Feb.1 2024,

The meeting of the SDARC was called to order at 6:48 by Rodney at Los 2 Amigos.

Minutes were read and Treasury report was given, there was \$1,223.30 at the end of Jan and \$1283.30 after a recent Deposit. Larry made a motion to accept and Jim Anderson 2nd.

Bret had a correction: That he had made the purchase of the Solar charger for Mt Ellen and should read that way in the January Minutes, and came to \$228.63. It was paid by using the Visa and was paid for by the club.

Old Business: We talked about the Health of our members, Susie was finally able to come to the meeting, she is feeling better finally. We have really missed her. Pam Anderson is finally home, she has help coming in every day to help with PT, we all hope the best for her.

Bret gave us a report about the Repeaters. They have a RX PL tone on most of them, which is Different from the TX PL tone. Chances are most Ham 2 Meter Radios can't be programmed for Different TX and RX PL tones, so be sure to NOT enable your Portable or Mobile RX PL Tone unless it has the option to use a separate RX PL from the TX PL.

New business:

Next meeting will be March 7th, It will be at "The Pondorosa" in Huntington and we asked that the South VP to make those reservations for the back room.

Spring Camp-out tentatively set for April 12th through the 14th Down at our location at the Wedge Camp Ground camping area.

Bret also received an email today about the ARRL Rocky MT. Ham Fest. It will be at the St George Event center July 12th to July 13th 2024. <https://www.hamconzion.com/>

Jim has a big HF AL82 Amplifier for sale, If anyone is interested contact him.

Ellen made a motion to adjourn and Bret 2nd @ 7:26 PM

22 members and visitors present.
