The meeting of the SDARC for May 1st 2025, was called to order at 6:55 PM, Minutes were read by Rodney, Rodney asked George how the Preparedness fair went and George gave us a Report that there wasn't a big turnout, George said he handed out a lot of information sheets.

We talked about the camp-out and how nice the Weather was, and how good the turnout was.

Willie reminded us to Approve the Minutes and he made the motion and Bret 2nd. George reminded us about giving the Treasurer Report, It was then given, There is \$3452.76 in savings and \$1178.27 in checking, Bret said we had some bills that will be on the next Bank Statement.

Bret commented on the club Repeaters, he had to make a trip to Horn to replace the WEB Power Switch, he has been approved by the manufacture to be able to buy the parts to repair these which with the age of our Mountain top site equipment being able get the parts make a huge difference, the WEB power switch Processor cost \$40.00 for the part, far less then buying a new switch for \$229.00.

Willie commented that Ford Ridge may not be working and Star was noisy. Others said it was working good in Price.

Health and Welfare. Bryan was doing Okay but is no longer with Carbon County, Anita made it to club meeting, everyone was glad to see her.

We talked about Field day and the Dates are June 27<sup>th</sup> – 29<sup>th</sup> and we'll try to get the same place up cotton wood canyon west of Orangeville.

The Tuesday night Net was talked about and most of the members like the new format and how well it sped up the Net, The Net controls may need to trade off a bit more so they don't get to tired of it.

There was a bit more conversation on a few non related subjects.

Rodney talked about the next club meeting location in Price and decided on Los 2 Amigos, Rodney will call for reservations.

The meeting adjourned at 7:26 PM
