The meeting of the SDARC for July 5th 2025, was called to order at 6:55 PM, Minutes were read and treasurer report given by Rodney, There is \$3452.56 in savings and \$767.41 in checking, Jim made the motion to accept and Ellen 2nd.

Bret gave a lengthy Repeater report and passed around the Intranet Network diagram for the Repeater system for control and VoIP links.

Bret has worked with Carbon and Emery County IT department to remap and clean up the network, Bret and Bryan went to Horn Mtn and replaced the Router so the Internet link for the Repeater control and APRS is now on Horn and the Wood Hill router is only for the APRS server at Wood Hill.

Bret also told us that he needs to go to Star point and install a WEB Power switch and move the repeater to the Clubs Ethernet switch. Right now we don't have a link for the D-Star on Cedar so it is off the air.

Bret had 2 receipts for fuel for the Repeater work.

Bret gave a report on what was going on with the Grizzly Ridge Repeater and the problems it has and the BARC club will be purchasing a new Power amp for around \$1800.00, the reason the Amp went out was because of where the Antenna was Mounted being to close and touching other Antenna's.

Health and Welfare. Anita wasn't doing too well tonight but Pam is about the same.

There was a bit more conversation on a few non related subjects.

Rodney talked about the next club meeting location in Price and decided on Los 2 Amigos, Rodney will call for reservations, Jim made a motion to Close the meeting and Rodney 2nd.

The meeting adjourned at 7:20 PM
