

The meeting of the SDARC January 8th was called to order by Jim A. at 6:58. The minutes were read and the treasury report was given. There is 3567.37 in savings and 787.99 in checking. Jim asked for a motion to accept, and Willard made the motion and Jen seconded.

There have been no changes in the classes. There may be a couple people interested in testing. Willie said he would get a hold of George and go from there. There was talk of doing the tests online and how much easier they are to do than the paper ones. A lot less paperwork.

Repeaters- Bruin was off for a short time, Willie contacted Bret about it and he got it fixed. The power must have went out so it just needed a reset. Lake Mountain was off for a day or two, but it is now back up. There were no other issues reported.

Nothing new on Health & Welfare.

Our camp outs were discussed. The declining attendance was addressed. We decided to continue talking about them over the next few months to see what we want to do with them.

We talked about doing some POTA & SOTA events. Having some groups go out and participate in those. Several areas were discussed, some one day outings others over 2-3 days. We will continue to talk about that also at our next few meetings to see if there is interest in doing something with that.

Next club meeting will be at the Ponderosa in Huntington on February 5th. Willard made a motion to adjourn and Dennis 2nd.

Meeting closed at 7:24 with 14 members and visitors present.
